

LUNCH AND LEARN WORKSHOPS

Please Join Us!

Deep Brain Stimulation (DBS) Therapy

Kevin Mansfield, M
Neurosurgeon

Jennifer Durphy, MD
Neurologist

These programs are an opportunity for patients with Parkinson's disease, essential tremor, and dystonia, and their family members, to learn about the benefits and risks of DBS therapy from Albany Medical Center's functional neurosurgeon and movement disorder neurologist.

To register or for more information, please call **518-262-1643** or email **movement@amc.edu**

Free and open to the public, but participants must register in advance. Lunch will be provided.
